AFTER SCHOOL CARE FOR CHILDREN UP TO 13 YEARS OLD

Childcare allowance

The government contributes to the cost of childcare. On the website **toeslagen.nl** you can read about what conditions you must meet in order to be eligible for a childcare allowance, and you can work out exactly the amount of allowance you are entitled to.
At 2Samen.nl/en (under childcare fees/test calculation), you can see what the net price is for childcare at 2Samen.
The maximum hourly rate that will be refunded by the tax authorities in **2027** is **€ 10,31** for afterschool care. The rates below are gross.

* If you've chosen for this package for your child, your must sign up your child yourself for 6 or 12 of the school holiday weeks. You may find the complete rules on 2samen.nl/en and in the app.
** This type of childcare is suitable for children attending school activities (such as homework support or sports) from 5:30 pm until 6:30 pm.
*** Incidental and extra care is only possible if the group is big enough and the team agrees to it.

2Samen wants to prevent improper use of childcare packages. Therefore, a holiday-childcare package and after school care-package without holiday care have to be purchased for a period(s) of one year. If you want to switch to another childcare package within a year, then we reserve the right to make a possible recalculation. Of course, you will be notified in advance.

All-in package

Our rates include fresh fruit, meals with sandwiches, drinks, organised activities, sports, outings and transport.

Direct debit

Our rates are based on payment by direct debit, the cheapest way of processing. In case you do not want to pay by direct debit, we will charge € 1,50 administrative costs on top of the standard monthly invoice.

Regardless of the childcare package, you pay in monthly installments; this is then synchronized with your childcare allowance.
