If your child starts attending the preschool before the 15th day of the month, you will be charged the whole fee for that month. If your child starts after the 15th day of the month, you will be charged half the monthly fee.

All-in package

Our rates include nappies, fresh fruit, meals with sandwiches, drinks, organized activities, sports and outings.

Childcare allowance

The government contributes to the cost of childcare. On the website toeslagen.nl you can read about what conditions you must meet in order to be eligible for a childcare allowance, and you can work out exactly the amount of allowance you are entitled to. The maximum hourly rate that will be refunded by the tax authorities in 2018 is € 7,45 for daycare (and € 6,95 for after-school care).

Direct debit

Our rates are based on payment by direct debit, the cheapest way of processing. In case you do not want to pay by direct debit, we will charge € 1,50 administrative costs on the standard monthly invoice.
