Childcare allowance

The government contributes to the cost of childcare. On the website toeslagen.nl you can read about what conditions you must meet in order to be eligible for a childcare allowance, and you can work out exactly the amount of allowance you are entitled to. At [2Samen.nl/en](https://2samen.nl/en) (under childcare fees/calculation tool), you can see what the net price is for childcare at 2Samen. The maximum hourly rate that will be refunded by the tax authorities in 2021 is **€ 8,46** for day care. The rates below are gross.

AFTER SCHOOL CARE FOR CHILDREN OF 4 TO 13 YEARS OLD *

Childcare allowance

The government contributes to the cost of childcare. On the website toeslagen.nl you can read about what conditions you must meet in order to be eligible for a childcare allowance, and you can work out exactly the amount of allowance you are entitled to. At [2Samen.nl/en](https://2samen.nl/en) (under childcare fees/calculation tool), you can see what the net price is for childcare at 2Samen. The maximum hourly rate that will be refunded by the tax authorities in 2021 is **€ 7,27** for afterschool care. The rates below are gross.

A personal contract for each child, based on the regular school schedule

In this list of fees, 2Samen uses the **standard times** that schools finish, namely 12 (noon) and 3 pm.

On the basis of the time the school finishes, a personal contract will be drawn up for each child.

If different times apply for the lower grades and the higher grades, in principle, 2Samen will adhere to the times for the lower grade; Because children in the lower grade often get out earlier on a Friday, we work with supplementary care contracts on that day (see other side). In the rates of our After School Care (BSO), care for days when the school is closed have been included in proportion; you can read more about this on our website [2Samen.nl/en](https://2samen.nl/en) (about 2Samen/(Educational) policy/closure days and school days off).

Extended after school care purchased separately costs **€ 8,16** per hour.

For the opening hours of our branches, please consult 2samen.nl.

46-weeks-package: childcare for all school weeks as well as 6 weeks of school holidays

40-weeks-package: no childcare during the school holiday weeks, but childcare included on Prinsjesdag.

6-holiday-weeks-package: childcare for 6 weeks of school holidays

Separate holiday child care is also available for a number of consecutive holiday weeks (**€ 9,93** per hour). Please ask about the possibilities.

* If you've chosen the **46-weeks-package** for your child, your child will be planned as present during the school weeks but you must sign up your child yourself, for 6 of the school holiday weeks. This also applies to the **6-holiday-weeks-package**. You may find the complete rules on 2samen.nl/en.

** With a **holiday care package** and **40-weeks-package**, you will receive twelve equal monthly invoices per year. 2Samen wants to prevent improper use of this childcare package. Therefore, the separate holiday care package 'complete' has to be purchased for a period(s) of one year. If you want to switch to another childcare package within a year, we reserve the right to make a possible recalculation. Of course, you will be notified in advance.

All-in package

Our after school care rates include fresh fruit, meals with sandwiches, drinks, organised activities, sports, outings and transport. If there are at least 5 children in a centre that require care, 2Samen is guaranteed to remain open on the official closure days of the primary schools linked to its locations

Care during closure and in-service days of schools

In our BSO rates, care on closure days of schools has been **included in the price**, proportionately; you can read more about this at 2samen.nl/en (about 2Samen/(Educational) policy/closure days and school days off). Parents who cannot manage with the number of care days supplied can conclude a supplementary childcare contract. This is useful because you can apply for a childcare allowance for those care hours in advance, so you do not need to make an advance payment yourself.
