

## Arrangement 12 or 6 weeks holiday care

### AFTER SCHOOL CARE 2Wombats

### 12 or 6 weeks holiday care

If you've chosen the package including 12 or 6 weeks holiday care for your child, your child will be planned as present for all school weeks. During the school holidays, your child is **not** planned to attend childcare. **You must sign up your child yourself, for the 12 or 6 weeks of school holidays you wish to receive care.**

### The way it works

Depending on the size of your contract, you will receive a **holiday care allowance** ('Tegoeden' in Dutch).

#### Overview of the holiday care allowance:

Parents with a 5-days-contract receive a balance equal to 5 holiday days of care x 6 weeks. Assuming 10 hours a day\* of being open, parents receive:

- 5-days-contract – a balance of 5 days of care x 6 weeks x 10 = 300 hours
- 4-days-contract – a balance of 4 days of care x 6 weeks x 10 = 240 hours
- 3-days-contract – a balance of 3 days of care x 6 weeks x 10 = 180 hours
- 2-days-contract – a balance of 2 days of care x 6 weeks x 10 = 120 hours
- 1-day-contract – a balance of 1 day of care x 6 weeks x 10 = 60 hours

*\* parents that have a contract for different opening times, will receive modified contract-hours-to-sign-off*

You may use this care allowance to request holiday days. Please request your holiday care **two weeks prior to the start of the requested school holidays**. If you request the care at a later time, we can't guarantee that childcare is possible. Even if it's a day on which your child normally receives childcare during school term.

It is possible to combine the days of the holiday care into 1 or more weeks if necessary but is only possible if both the number of children present and the number of educational staff members present allow this. For example: if you have in contract 2 days of after school care a week during school weeks, you can request 5 days during the holidays. In this case you will take days from another holiday week. You can use the holiday care days all year round.

#### The care allowance is valid for a specific calendar year

The care allowance is valid for one calendar year, from the 1st of January until (and including) the 31st of December. You will receive your allowance automatically on the 1st of January of each year. On that date, the previous care allowance is no longer valid. You will receive your allowance pro rata according to the duration of your contract. For example: the balance will differ with the start of a placement later than 1st of January and/or the end of the placement prior to 31st of December.

#### Signing up for holiday care

The easiest way to notify us of your child's presence during certain holiday weeks is by signing up in the 2Samen app under **Planning > Aanvragen > Nieuwe aanvraag > Extra opvang**.

The balance of your allowance you may find in the 2Samen app under **Planning > Tegoeden**.
